The specific purpose of this nonprofit is to enhance community engagement within the community of Sage, an unincorporated area of Riverside County. We aim to provide a collaborative platform for residents to identify and address local challenges, including but not limited to: organizing volunteer clean-up initiatives to maintain the community environment; fostering public awareness of essential programs such as animal services during adverse weather conditions; and offering support for animal transportation services, including horse and livestock trailering.

Through community meetings, educational workshops, and events, we empower residents to voice their concerns, share resources, and work collectively to improve the quality of life in our rural community. Our organization is committed to building a resilient and vibrant community that values participation, cooperation, and responsibility for our shared environment.
