This corporation is authorized to issue three classes of stock, each with \$.00001 as par value, to be designated, respectively, as "Class A Common Stock," "Class B Common Stock" and "Preferred Stock."

The number of shares of Class A Common Stock authorized to be issued is 12,000,000

The number of shares of Class B Common Stock authorized to be issued is 25,000,000

The number of shares of Preferred Stock authorized to be issued is 12,000,000

Class A Common Stock has voting rights on all matters requiring a vote of the shareholders, including, but not limited to, the election of directors.

Class B Common Stock shall have no voting rights, including, but not limited to, no right to cast votes for the election of directors or other matters, except as otherwise provided by the California Corporations Code.

The Preferred Stock may be issued from time to time in such number of series as the Board of Directors may determine. The Board of Directors is authorized to determine or alter the rights, preferences, privileges, and restrictions granted to or imposed upon any wholly unissued series of Preferred Stock, and to fix the number of shares of any series of Preferred Stock and the designation of any such series of Preferred Stock. Subject to compliance with applicable protective voting rights which may be granted to the Preferred Stock or any series of Preferred Stock in Certificates of Determination or the corporation's Articles of Incorporation, the Board of Directors is also authorized, within the limits and restrictions stated in any resolution or resolutions of the Board of Directors originally fixing the number of shares constituting any series, to increase or decrease (but not below the number of shares of such series then outstanding) the number of shares of any series subsequent to the issue of the shares of that series. In case the number of shares of any series shall be so decreased, the shares constituting such decrease shall resume the status which they had prior to the adoption of the resolution originally fixing the number of shares of such series.

The liability of the directors of the corporation for monetary damages shall be eliminated to the fullest extent permissible under California law.

This corporation is authorized to provide indemnification of agents (as defined in Section 317 of the California Corporations Code) through bylaw provisions, agreements with agents, vote of shareholders or disinterested directors or otherwise, in excess of the indemnification otherwise permitted by Section 317 of the California Corporations Code, subject only to the applicable limits set forth in Section 204 of the California Corporations Code with respect to actions for breach of duty to the corporation and its shareholders.

Any repeal or modification of the foregoing provisions of the Indemnification and Liability clauses by the shareholders of this corporation shall not adversely affect any right or protection of an agent of this corporation existing at the time of such repeal or modification.
