The date a business entity ceases to exist is established when the California Secretary of State (SOS) receives, accepts, and files all the required forms to officially close the entity. By the expiration date shown on this Tax Clearance Certificate you must ensure that all the required forms to dissolve, withdraw, surrender, cancel, merge, or convert are submitted to and filed by the SOS. If the SOS does not officially close your business entity by the expiration date above, your business entity may remain subject to additional taxes, penalties, interest, and fees.

Your business entity is also subject to normal filing requirements through the date established by the SOS. If you provided an assumer with your request for tax clearance, the assumer must ensure that the state income tax returns for your business entity are (or have been) filed with the Franchise Tax Board through the date established by the SOS. Additionally, the assumer must ensure that all state income tax liabilities are paid.

By issuing this Tax Clearance Certificate, we certify that you have either paid all taxes imposed on your business entity or that you have secured them by providing an assumer, bond, or cash deposit. However, the business entity, its assumers, or transferees still remain liable for any subsequent assessments during the applicable statute of limitations. We sent a copy of this certificate to the SOS. Please keep this original for your records.

The Office of the Secretary of State is located at 1500 11th Street, Third Floor, Sacramento, California 95814-5701. You can also visit their Website at www.ss.ca.gov for more information.
