**Re: LLC registration**

Hello, my name is Dr. Darren Sosa DHSc, LMSW. I am completing my application to register my business as an LLC. My business entity is H.U.S.T.L.E. Boxing Fitness which is prepared to become a bigger resource in our community by promoting health, exercise, education, and community, and improving overall quality of life. My business plans to follow all regulations and compliances for legitimate operations i.e., federal, state, and local regulations.

H.U.S.T.L.E in our business name is an acronym that represents our business's value system: heart, unity, strength, temperance, loyalty, and education. H.U.S.T.L.E Boxing Fitness envisions developing a partnership and connection with our local organizations and residents to become a safe resource for our community.

I want to conclude my letter with appreciation for reviewing this application and to the granting authorities for an LLC.

Respectfully,

A handwritten signature in black ink, appearing to read 'D. Sosa', with a long horizontal line extending to the left and a wavy line extending to the right.
